

GraphUndirected::weighted
_degree

```
graph LR; A[GraphUndirected::weighted  
_degree] --> B[GraphUndirected::neighbors]; A --> C[HalfEdge::weight];
```

The diagram consists of three rectangular boxes. The leftmost box is shaded gray and contains the text 'GraphUndirected::weighted' on the top line and '_degree' on the bottom line. From the right side of this box, two blue arrows point to the right. The top arrow points to a white box containing the text 'GraphUndirected::neighbors'. The bottom arrow points to a white box containing the text 'HalfEdge::weight'.
