

WriterInterface

```
classDiagram
    class WriterInterface
    class WriterStream
    WriterStream --|> WriterInterface
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'WriterInterface'. Below it is a box labeled 'WriterStream'. A blue arrow points from the 'WriterStream' box up to the 'WriterInterface' box, indicating that 'WriterStream' implements or inherits from 'WriterInterface'.

WriterStream
